

Volleyball Starts, reminders

The time is finally here, and I am very excited.

This year we have a lot of new teams and players, so veterans, please take the time to help out the new people if they need it. One very helpful thing would be to show the new captains how to record the results of your match on the website www.BinkiesLeagues.com .

The schedule has been posted for the entire season. This is a very labor intensive process, and I have been known to make quite a few mistakes. Captains, please take a look at your schedule and see if you find any mistakes; ie. missing matches, duplicate times, playing the same team twice. Report to me if anything stands out. Schedules and standings will be posted on the bulletin board by the restrooms. I will try to update this weekly. Rules will also be posted on the bulletin board.

A few important items: 1) We are a family bar / restaurant, so please dress appropriately and be careful of your language and actions. 2) Absolutely no underage drinking. If it comes to my attention that this is happening, the captains will be given one warning. If it happens again, your entire team will be removed from the League and you will lose your registration fee. 3) No outside drink or food (we will provide a water jug, sports drinks like Gatorade are allowed). 4) Please be respectful of the other guests when holding tables during your matches. This means that you may not be able to reserve a large table during your match? If you plan to stick around after your match, please try to have a few friends along to hold your table. 5) If you order drinks through your server, please make sure you let them know if you are moving or starting your match.

We will be having a beer sponsor again this year that will give every volleyball player a discount on the sponsor's beer. More about that later.

Most importantly, HAVE FUN!!! We are very proud at Whistle Binkies to have the reputation of being a fun place to play league volleyball. Please help us keep it that way.
